

Discipleship Group Covenant

I pledge to my Discipleship Group, that I will commit to completing the entire 26 weeks of homework assignments in Book One. During this time, I will prioritize my schedule to faithfully study and apply the principles and teachings I learn in these lessons to my life and walk with Christ. I will pray for my group regularly, and be accountable to make every weekly meeting at the time and place we agree upon. I will be faithful to attend the meetings with my heart prepared to share the insights the Holy Spirit revealed to me during my studies in the assignments. With the Lord's help, I will endeavor to initiate my own group soon, in addition to attending the group I have covenanted with today. I will diligently pray for the Lord to give me three "discipleship" candidates to participate in the group I will facilitate for their spiritual growth—not as *my* disciples, but as disciples of the Lord Jesus Christ. During this period of time, I will endeavor to walk with my group members in unity, humility and love; always poised to remain teachable toward them, to value their unique insights and revelations, and to honor the developing gifts and graces the Lord has placed in their lives.

I, hereby, sign my name to fulfill this pledge I've made this day before my brothers and sisters in Christ.
